

# Ready to Redefine Your Career and Elevate Your Impact?

## Hint:

Try using your company's career development budget to support your participation in this program. Discuss the potential for sponsorship with your manager and show them how this benefits your growth while contributing to the company. You can share program details via this website:

<https://www.innerworkmatters.com/womens-career-mastery-program>

## This Program Is Designed For You If...

- You find yourself in a stagnant role, yearning for change, and need guidance to kickstart your journey.
- You're on a personal growth path, aiming to align your career with your values while grappling with defining clear goals.
- You're at a career crossroads and need a trustworthy partner for guidance, planning, and tangible progress.
- You're enthusiastic about your work and aspire to take on more responsibilities but seek clarity for confident career choices.
- You believe success can go hand in hand with well-being and are dedicated to balancing your professional and personal life.
- You're committed to personal growth and stepping into a more fulfilling career.

## Join the Women's Career Mastery Program Today!

### Program Objectives:

- Identify your strengths, passions, and values.
- Define actionable career goals and begin their implementation.
- Develop confidence in advocating for your needs.
- Establish the foundation for informed career decision-making.
- Be equipped to succeed in your career on your own terms.

### How Does it Work?

#### 6-Month Cohort-Based: Maximum of 12 Participants

- **Virtual Workshops:** Six monthly 2-hour interactive sessions designed to enhance skills with practical real-world application.
- **Group Coaching Sessions:** Six monthly 90-minute virtual meetings.
- **Individual Coaching Sessions:** Two 45-minute personalized coaching sessions
- **Practical Growth Activities:** Engage in assignments addressing gaps, boosting confidence, and guiding you towards your career goals.
- **Online Community:** Connect with community of game-changing female peers.

The Program starts on September 25, 2023
